Dear Mr. Larson:

On May 17, 1999, the Associate Director of the Division of Oil, Gas and Mining, acting in behalf of the Director, formally approved the form and amount of reclamation surety for Larson Limestone Company's Pelican Point Mine. The reclamation surety in the amount of \$91,000 is in the form of a surety bond (#~~00000000~~) issued by Fidelity and Deposit Company of Maryland. The Division hereby grants its final approval of this project and the reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files.

Thank you for your help and patience in finalizing this permitting action. Please call me at (801) 538-5286 or Lynn Kunzler at 538-5310 if you have any questions in this regard.

Sincerely,
